

The Above and Beyond 'Thunder Clap'
Recognition for the Week of December 18th:

Addie Helland

Hometown Pride:

"I'm proud to be a part of the OF community for many reasons. Recently through everything that happened it's truly shown how the OF community has come together.

It's proved that we are able to know that we are not walking through these difficulties alone. We've shown compassion and support to others in these hard times. Being a part of this community can make us feel like we are a part of something greater than ourselves. It could give us multiple opportunities to connect with people, reach our goals, and make us feel safe and secure. And that's what the OF community has proven to be."

Bleacher Report (activities):

Sports: Basketball and Volleyball

Clubs: Above and Beyond, Student Council, FBLA, TADD, and NHS

Thunder Role:

"A good role model can shape people into being who they are or plan to be. If you're a good role model towards people it can help them be a better person in the future."

Hometown Hero:

"My grandma Karen Rosentreter is my hometown hero. My grandma has always been a significant part of my life. As I was growing up I realized that she's the person I look up to the most. My grandma battled with cancer in the early years of my life. Since then, she's been cancer free and I've admired how strong she is, as well as perseverance for anything she does. It's made me cherish every moment with her, and appreciate everything she's done for me. Even now I can always count on her to be supportive in everything I do. I can't think of a better option than her."
