Hometown Pride:

"I am proud to be a part of the OF community because it's a close community that supports its members. I am proud because I think that the citizens that are a part of the community all put in the effort to achieve a great hardworking project or idea in Osseo. I think that the OF community is a great community to be a part of!"

Bleacher Report (activities):

Sports: Volleyball, Basketball, Softball

Clubs: Above and Beyond

Outside of School: Girl Scouts, Church Activities

Thunder Role:

"I think that it's important to be a good role model because the younger children are watching every step you do. So being positive and always being yourself, you are teaching these young ones to do the same when they get into the older grades. Especially having a good attitude makes every situation so much better."

Topic Thunder:

"I think that staying away from drugs, alcohol and tobacco as an athlete or a club member is very important because why ruin your future. These substances make you play or feel slower and unmotivated and you will be negative. I think that being healthy and strong is what will make you feel happy and motivated. Having drugs or alcohol in your system will drag you down and you could also get into lots of trouble."

Scouting Report (quotes from teachers):

"Although I haven't had Addie in class yet, I did get to know her a little bit as I watched her interact and play with the JV team/coach. Her positive attitude will set her up for success! I look forward to watching her grow and coaching her in the future!" – Mrs. Steinke

"I really enjoy Addi's friendliness as she passes in the hall or shows up for class. I really appreciate that she sets a good example for others and doesn't change to fit what others do." – Mrs. Nelson

"Addi is such a wonderful student and person!!! It has been so awesome to have her in my Drawing class this year. She is so talented and smart. I have been beyond impressed with the quality work she produces. I have no doubt Addi will have a VERY bright future ahead! :)" – Mrs. Covelli

"Addisyn is a quiet leader who leads by example. Her kindness is noticed by both students and adults. She is the type of person people know they can trust." – Mrs. Frieberg

"Addisyn is a very good student that has a quiet sense of humor. I love her attitude and the ability to work hard to be successful." – Mr. Fischer

Fan Deck (quotes from peers):

"Addisyn is so sweet and super nice."

"Addi is a great friend. She is understanding and trustworthy."

Hometown Hero:

"My hometown hero is Joe Nelson who is in fact my uncle. I think that Joe Nelson is a great match to be my hometown hero because he never fails to put a smile on my face. He always has his amazing and funny jokes along with that great big smile of his. Joe coached my softball team in middle school. He taught me what was really important, confidence and positivity. I think that's the big aspect in life. My uncle has put in so much effort to make people happy and to laugh. He deserves so much and that is why he is my hometown hero."
