

The Above and Beyond 'Thunder Clap'
Recognition for the Week of January 9th:

Aubrey Schmidt

Hometown Pride:

"I am proud to be a part of the OF community because there are so many kind people that live here! It is the type of community where everyone knows each other. Whether you are at the grocery store, the Nickel, or anywhere around town, there is friendliness all around."

Bleacher Report (activities):

Sports: Cross Country

Clubs: Above and Beyond, National Honors Society, Student Council

Outside of School: Volunteer at Church

Thunder Role:

"It is important to be a great role model because younger students are always looking up to us older students. We play an important role in their lives and greatly impact them. They are constantly looking up to us to see how we act and treat one another. Not only are they seeing how we act, but also seeing what it means to be drug and alcohol free."

Topic Thunder:

"It is important to stay away from drugs, alcohol, and tobacco in general! However, it is even more important that athletes and club members stay away from it, because they are even more a role model/leader. There are so many young eyes looking up to them."

Scouting Report (quotes from teachers):

"I love and appreciate how driven Aubrey is to be successful in the classroom. When you combine that with the fact that she is one of the kindest people I know, she is definitely someone to admire and look up to in our school." – Mr. Stoik

"Aubrey is one of the hardest working students I've met. She always has her work completed on time and it always fits the assignment's requirements, and the work is written impeccably." – Mrs. Beasley

Fan Deck (quotes from peers):

"Aubrey is the nicest person I have ever met."

"Aubrey is very nice and will always help out when you need it."

"Aubrey is involved, funny and sweet."

"Has been a quiet kid and works in the shadows, but I think it would be nice for her to get some recognition."

"Aubrey is always trying her best and is funny."

"Aubrey respects those around her and doesn't ignore issues."

"Aubrey Schmidt, even when things get hard she always find a way through it and makes the best of any situation."

Hometown Hero:

"My hometown hero is Mr. Phillips. Every day, he puts a smile on my face! He is one of many teachers that makes the day just a little bit better. He is very kind and always makes an effort to help whenever and wherever he can!"
