Hometown Hero:

"Pam Pralle has been by my side since I was in eighth grade, being my basketball coach. She gave me the confidence to be myself on and off the court. She gave all her time to the basketball team and treated us like we were her own daughters. She never fails to tell me what I do wrong and ways to be a better person and athlete. She's so supportive and my second mama. Thank you Pam for all you did/do for me, and everyone you meet!"
