

The Above and Beyond 'Thunder Clap'
Recognition for the Week of March 12th:

Autumn Volbrecht

Hometown Pride: “I am proud to be part of the Osseo-Fairchild community because this community is so caring, willing to help others and has such great people. We come together to make the community a great place. It is such a positive and fun environment to be a part of.”

Bleacher Report:

Sports: Basketball and Volleyball Manager

Clubs: Above and Beyond, FBLA and NHS

Thunder Role:

“It’s important to be a good role model so that younger students in the community know who to look up to. Athletes and club members are super important because people around the community see those students whether it’s on the court or in certain clubs. You want to impact people in a positive way.”

Topic Thunder:

“I feel it's super important to stay away from drugs and alcohol because it can affect your whole high school career. Kids portray drugs and alcohol to be "cool", but its super dangerous and not cool. It can affect your body, brain, friendships, school, and everything around you.”

Scouting Report:

“Whenever I see Autumn in school, she always seems to have a smile on her face. That positive attitude carries over to her classmates and helps to make school more enjoyable. Go Bucks!”— Mr. Stoik

“Autumn Volbrecht is responsible and respectful. I enjoy having her in class.” Mrs. Krajnickonde

“Autumn always has a positive attitude and a smile on her face. She has a willingness to work hard and persevere even when work is challenging. She has such a great attitude and overall student demeanor.” — Mr. Bergeron

“Autumn is a fun student. She is curious and intelligent. She always has a smile on her face and is ready to go.”— Ms. Dickenssen

“Autumn is one of the nicest and most considerate people I know.” — Mr. Velie

Hometown Hero:

“My hometown hero would be Mrs. Simpson. She cares and loves everyone. She would do anything to help someone, to make them happy and smile. She's always willing to help someone in and outside the classroom. She's impacted my life in such a great way, outside and inside school. Also, she relates a lot of discussions to sports which is awesome.”
