### Thunder Role:

“I think it's important to be a good role model because, people need someone to look up to; If they don't they have no one to guide them in what to do in situations they cannot comprehend. Also, I think it is important because everyone needs someone they can rely on to always be able to help them and be there for them.”

### Topic Thunder:

“I think it is important to stay away from drugs because, bad things are the only thing you get from them. Some people might argue that they help them stay sane, but to be honest, the good things that come from drugs will never outweigh the bad things they cause.”

### Scouting Report (quotes from teachers):

“I have been very impressed with Breanna's ability to keep up and succeed in class through her virtual learning this school year.” – Mr. Stoik

### Fan Deck (quotes from peers):

### Hometown Hero:

“Mr. Schulte is my hometown hero because, he is a great coach that makes sure everyone is able to learn, and tries his best to make everyone feels like they belong.”
