

The Above and Beyond 'Thunder Clap'
Recognition for the Week of October 31st:

Brenna Seefeldt

Hometown Pride:

"I am proud to be part of the OF community because everyone always comes together to support each other and school events. Being part of this community is amazing because everyone knows each other anywhere you go!"

Bleacher Report (activities):

Sports: Golf

Clubs: Above and Beyond, Student Council, National Honors Society, Hope Squad

Outside of School: I volunteer at different activities through the lions, my church, OELC, and also help at Ruby's pantry

Thunder Role:

"I think it is important to be a good role model because you never know who is watching you or what younger kids are wanting to be like you. Being a good role model teaches kids why it is good to care about school, stay away from drugs and alcohol and how to be a kind human. It is so important that we teach the younger generations how to have a positive impact in our school and community."

Topic Thunder:

"I think it is important to stay away from drugs and alcohol because it not only affects you but all of the other people around you. Doing drugs will affect your brain negatively right now and throughout the rest of your life. Staying away from drugs and alcohol allows you to have a successful life that you can enjoy each and every day."

Scouting Report (quotes from teachers):
