Hometown Hero:

"My home town hero is Lexi Dawson. I know I already chose her before but she really deserves it. She's has coached me for several years and really knows how to push me to be my best. Lexi does not get enough credit for what she does for us, taking her own time to coach us and to make us better in anyway. Some might see her as a tough and hard coach but she really is a nice, fun, and understandable coach and just wants the best for her players."
