

The Above and Beyond 'Thunder Clap'  
Recognition for the Week of December 4th:

## Brylie Johnson

### Hometown Pride:

"I'm proud to be a part of the OF community because we are all there for each other and ready to help when needed. If you ever need anything you know that the OF community will help out."

### Bleacher Report (activities):

Sports: Basketball, Volleyball and Softball

Clubs: Above and Beyond

Outside of School: Church Youth Group

### Thunder Role:

"I think it's important to be a good role model, because kids look up to you. If you do something other kids will think it's cool or ok, and if we set a bad example they will follow. Kids learn or get ideas from what other people do, so we need to set good examples for them, so they can be good."

### Topic Thunder:

"It's important to stay away from drugs, alcohol and tobacco as an athlete and club member, because you are representing that club or sport. If you are in a sport or a club if you get caught doing those things you will be kicked out or not be able to play anymore. When you go out in public you want people to see that your school or club has good role models, and that club/sport/school won't have a bad reputation."

### Scouting Report (quotes from teachers):

"Brylie has a fun and outgoing personality and is always willing to participate and help out in class! She asks great questions and takes responsibility for her own learning." – Mrs. Velasquez

### Fan Deck (quotes from peers):

### Hometown Hero:

"Justin Johnson is my hometown hero. I chose Justin because he is just an all-around great guy. He has been coaching me and my sisters' softball team since Tball-14u voluntarily. He is also the head JV coach for OFHS football, and is the varsity O-line and D-line coach. He also stepped in and coached the rest of our northwest basketball season on very short notice. He has always been willing to help out in the community and give back. This is why I chose him as my hometown hero."
