

The Above and Beyond 'Thunder Clap'
Recognition for the Week of March 11th:

Chloe Gunderson

Hometown Pride:

"I'm proud to be part of the OF community because no matter what we are always there for each other. Our community comes together to support one another. We have many local businesses who time and time again will support our school and programs with donations."

Bleacher Report (activities):

Sports: Volleyball, Basketball and Softball

Clubs: Above and Beyond, NHS, FFA, FBLA, and Culture Club

Outside of School: Church Volunteer

Thunder Role:

"I believe it is important to be a good role model because there is always someone younger looking up to you. When I was a middle schooler I always looked up to the high schoolers and wanted to be just like them. I want to be a good role model so kids want to look up to me. I think it's important because not everyone had the privilege of having an older sibling to watch when they were younger."

Topic Thunder:

"I think it's important to stay away from drugs because of the long lasting effects they can have on the body and the brain. While in high school our brains are not fully developed and the usage of drugs can damage certain parts and drinking can cause many problems in the liver."

Scouting Report (quotes from teachers):

"It would be very difficult to find anyone, anywhere that would have something even remotely negative to say about Chloe. She is easily one of the nicest and friendliest students that we have had. On top of that, Chloe is also a great student that cares about her schoolwork and actively participates in class discussions. Chloe makes our school a better place to be!" – Mr. Stoik

"Chloe is a star student, athlete, and friend to her peers. She has the brilliance, character, and leadership to succeed in everything she does. But for her, that is not enough: Chloe is driven to ensure that everyone else around her succeeds, too. To know Chloe is to have a constant light in your life." – Ms. Hayden

Fan Deck (quotes from peers):

"Chloe is always in a good mood no matter what happens in life."

"Chloe is constantly trying to make me laugh."

"Chloe puts everyone before herself and will always be there for anyone who needs it."

"Chloe is a positive leader in all of the sports she's in."

"Chloe is always there for me."

"Chloe Gunderson is friendly and hard-working, she does everything at 100 percent."

Hometown Hero:

"My hometown hero is Ms. Hayden. Ms. Hayden has done so much for me and our school in her two short years here as a teacher. She is constantly working so hard for our FFA Chapter and our school. Ms. Hayden has personally helped me come out of my shell in FFA and helped me achieve much more than I was aware I was able to do. She is a great representation of how amazing our faculty is and how much they care about us and our accomplishments."
