

The Above and Beyond 'Thunder Clap'
Recognition for the Week of March 5th:

Courtney Wilson

Hometown Pride: "The Osseo-Fairchild community is a welcoming place to be. Everyone is friendly, and it has such an inclusive feel to it."

Bleacher Report:

Sports: None

Clubs: Above and Beyond, FBLA, NHS, Student Council, Science Olympiad, Spanish Club and Science Club

Thunder Role:

"It is important to be a good role model because younger students look up to them and repeat their behaviors; good or bad."

Topic Thunder:

"It is important to stay away from drugs and alcohol because it negatively impacts your performance in academics and in sports."

Scouting Report:

"Courtney has been a positive impact in both Above and Beyond and TADD in her high school career. Her involvement opportunities in her senior year have made it more difficult for her to be as active in these groups as she has been in the past but keeps up to date in her own time and always asks how she can contribute even if she cannot show up." – Mrs. Simpson

Fan Deck:

"Courtney is a hard working student and is very involved in the academic clubs our school offers."

"Courtney is always funny and always willing to help others."

"Courtney is involved everywhere and is a great role model."

Hometown Hero:

"Margie Vold is a wonderful person in the Osseo-Fairchild Community. She always volunteers her time and is such a positive role model."
