Topic Thunder:

"I think it is important to stay away from drugs, alcohol, and tobacco because it makes your performance in sports bad. It can lead to people doing worse drugs and ruining themselves."

Scouting Report (quotes from teachers):

"Dez is a wonderful student and person to have around. She is so caring and full of energy. Her desire to be successful is evident watching her participate in athletics, but also seen in the classroom where she works hard to be a productive student and positive person." – Mr. Boettcher

"I enjoy being able to talk basketball with Dez. She has a fun personality and does a nice job in the classroom." – Mr. Stoik

"Dez worked hard and learned a new position in volleyball this past season. Being a right side isn't always the most glamorous spot to play, but she took on that role and worked hard at blocking which was a vital part of us making it to state. Great job Dez!" – Mrs. Steinke

Fan Deck (quotes from peers):

"Dezaray works hard and is very motivated."

"Dez definitely has goals set and works to achieve them."

Hometown Hero:

"I chose Byron because he has pushed me in basketball and to be a better person. He has always given me motivation and inspiration to be the best that I can be. Byron has also always been there to push me to my limits and make me mentally more tough."
