Thunder Role:

"Being a good role model is super important. You will always be having people looking up to you. Especially the younger generations. You want to make a good impact on them because they are the future of our school! In a few short years, they will be in our shoes. It is important to show them the right from wrong."

Topic Thunder:

"It is important to stay away from drugs and alcohol because you only get four short years of high school. You want to be able to enjoy all the activities and events that you're given. Doing these things will take these good times away from you. Do high school the right way; Drug, alcohol, and tobacco free!"
