Bleacher Report (activities):

Clubs: Above and Beyond

Thunder Role:

“It is important to be a good role model because not only does it motivate others, but I have noticed it improves your own attitude. For example, I think that when you are encouraging and helping, the experience becomes better and easier to overcome, and it leaves everyone feeling better about the outcome, good or bad. It also gives some hope for those who are not exactly use to the situation.”

Topic Thunder:

“It is important to stay away from drugs, alcohol, and nicotine substances because of the health problems and addictions that come with. It can also ruin your reputation, along with your relationships.”

Scouting Report (quotes from teachers):

“I was approached by another staff member that Gryphon would be a good addition to this group. I am very proud of Gryphon for going outside of what may be his comfort zone and being part of such a great group!” – Mrs. Simpson

Fan Deck (quotes from peers):

“Gryphon is pretty easy to get along with. He is so laid back. He is smart and is always helping out when needed.”
