

The Above and Beyond 'Thunder Clap'
Recognition for the Week of December 2nd:

Heidi Strey

Hometown Pride:

"I am very honored to be part of the Osseo Fairchild community. We have amazing community members who are willing to help anyone out, and we have a beautiful school. Everyone in the community works together, and they support each other. There is not a day that goes by where I'm not proud to be part of Osseo-Fairchild."

Bleacher Report (activities):

Sports: Track and Field

Clubs: Above and Beyond, TADD, NHS, and FFA

Thunder Role:

"Athletes and club members need to be good role models for everyone at school, and in the community. Many younger kids look up to us and want to do what we do. If we aren't being good role models, we might leave a bad influence on them. When they get older, we want them to be good role models for the next group of kids."

Topic Thunder:

"Drugs and Alcohol are things that can really mess up your life. Your performance in school and sports will decrease, because they mess with your brain. It is against the rules to drink alcohol and do drugs while you're in sports, so if you are caught, you're kicked out!"
