

**The Above and Beyond 'Thunder Clap'**  
**Recognition for the Week of March 4th:**

## Heidi Strey

### Hometown Pride:

"I am very honored to be part of the Osseo-Fairchild community. We have amazing community members who are willing to help anyone out, and we have a beautiful school. Everyone in the community works together, and they support each other. There is not a day that goes by where I'm not proud to be part of Osseo-Fairchild."

### Bleacher Report:

Sports: Track and Field

Clubs: Above and Beyond, FFA and TADD

### Thunder Role:

"Athletes and club members need to be good role models for everyone at school, and in the community. Many younger kids look up to us and want to do what we do. If we aren't being good role models, we might leave a bad influence on them. When they get older, we want them to be good role models for the next group of kids."

### Topic Thunder:

"Drugs and Alcohol are things that can really mess up your life. Your performance in school and sports will decrease, because they mess with your brain. It is against the rules to drink alcohol and do drugs while you're in sports, so if you are caught, you're kicked out!"

### Scouting Report:

"Heidi is kind and respectful to fellow students and adults here at school. Even when pressures of academics, performance arts, and extracurricular activities weight heavy, she maintains that kindness and respect, not always an easy thing to do. It is notice and appreciated." – Mrs. Petersen

"Heidi is an exceptional student and person. She excels in and out of the classroom. Her knowledge and love for her animals is hard to beat and is supported by watching her show and talking to her about the shows that she attends. There are numerous 4H and FFA members who love asking her for advice and she loves sharing it. In school, she is a great role model with how things should be accomplished. She is an overall great person." – Mr. Boettcher

"Heidi is a great example of a student that just goes about her business without making waves or causing disruptions. She is an excellent student that isn't afraid to seek out assistance when needed." – Mr. Stoik

### Fan Deck:

"Heidi is smart, adaptable, hardworking and organized."

"Heidi is a beautifully sweet person who puts others first."

"Heidi is very helpful and kind to everyone."

"Heidi is a good role model and does everything with a smile."

### Hometown Hero:

"Curt Nelson is my hometown hero. I met him about two years ago, when he and his family moved in the house up the road from me. He is a very hardworking person, and would be willing to help anybody out. Last year, Curt came and served food from Osseo Family Restaurant. He made it possible so all Above and Beyond members could have a free delicious meal. Whenever my family gets together with the Nelsons, I am always so amazed by his stories of taking care of the kids all by himself when they were little. He has a lot of determination in him, and he is a very positive role model to me."
