

Osseo-Fairchild's Above and Beyond group would like to recognize the 2018 hometown heroes who have been positive impacts so far in the members' lives. At half time, we would like all of the community members who were nominated as hometown heroes to come down to the court and stand on the sideline farthest from the team benches. When your name is announced, meet your Above and Beyond member that nominated you at the middle of the court and walk with them out to the commons for a picture. If your Above and Beyond member or Hometown hero is not present, please walk across the court to be recognized and meet in the commons for a picture. If you would like to read why these amazing community members were nominated as hometown heroes, you can read the Above and Beyond member bios on the wall in the commons
