"My hometown hero is my dad, Shawn Green. I picked him because he is always teaching me different things and everyone knows him for helping out in the community. He is always happy to help out with sound in the park on Mondays in the summer. Everyone usually knows him for what he does with helping out and coming to DJ events too. I am also really glad when someone comes up to me and asks me, "are you Shawn's (My dad) kid." I think that makes me feel special."
