Topic Thunder:

"Managing your time as a teenager is hard enough. Between school, work, sports, and clubs, there isn't a lot of time to do much else. By getting involved in drugs and alcohol, you are setting yourself up to not be the best you can be in all of the different things you do."

Scouting Report:

"Korynn has been part of FBLA for the past 3 years and has really grown his year and is serving as Co-president. I know I can rely on her to be prepared for the upcoming meetings and I look forward to watching her grow next year in her role." – Mrs. Steinke

"Korynn Metzler is a great addition to any class. She is a very capable student and when she sets her mind to a task, succeeds and exceeds expectations. Thank you for taking AP Statistics this year Korynn!" – Mr. Bergeron
