Scouting Report (quotes from teachers):

“KB is one of my favorite students I have had the privilege to teach. He is very respectful. He is an extremely bright young man. Having him in class helps to make other students better, he challenges them in their thinking or understanding of the material. He has made such improvements in his running since his freshman year. He knows what he wants, and he is always himself. He is truly a good role model and others can learn from him.” – Mr. Fischer
“Our school would not be the same without Kyle! Everyone benefits from his inquisitive mind, sense of humor, and dedication to doing the right thing. I enjoy each and every conversation I have with this young man and I am such a lucky teacher to have him as a student!” – Mrs. Velasquez
