Thunder Role:

"I believe that having a great role model sets you up for success in life. You need someone to rely on that will show you the ways of life and learning. Role models influence our actions and motivate us to make positive choices in life."

Topic Thunder:

"I have anxiety just thinking about drugs and alcohol because of the uncertainty that is within. I would not willingly put chemicals into my body knowing that it only does harm. There is much more to life than that desired feeling, and there are many ways to get it without putting toxins into your body. **Scouting Report (quotes from teachers):**

"If I could describe Lexi with one word, it would be JOY. Her smile, laugh, personality, and curiosity are infectious. She is one of the hardest-working students I have ever met and one of the kindest individuals I have ever met. I can't imagine my classroom without her after she graduates! " – Mrs. Velasquez

"Lexi always has a smile on her face and a nice word to say to people. She is always kind, respectful, and helpful." – Mrs. Beasley

"I know that whenever I have an interaction with Lexi that she is going to have a huge infectious smile on her face. That is a quality that makes the world a better place and I look forward to seeing her in the hallways. On top of that, she is a hard working determined student! Great job, Lexi!" - Mrs. Steinke

"Lexi is a lot of fun to have in class with her friendly personality and willingness to participate daily. I appreciate her genuine interest in class discussions. " – Mr. Stoik

Hometown Hero:

"My hometown hero is Mrs. Velasquez! I cannot begin to explain the impact she has had on my life. Spanish has been highlight of my high school career and I am sad to be leaving this year. I thank her for all the memories, laughing, and stories we share during class. She has taught me how to advocate for my learning, but also to find a way to make it fun! Senorita is a teacher you can go to, and express how you feel and how to make it better."
