

The Above and Beyond 'Thunder Clap'
Recognition for the Week of January 22nd:

Mackenzie Scheller

Hometown Pride:

"I'm proud to be a part of the O-F community because of the compassion that everyone shows for one another. People in our community know how to come together to fix problems, come up with ideas and activities, and more. It's a great representation of a tight-knit community for those who don't know much about Osseo Fairchild. It truly makes me proud to be a part of the OF community."

Bleacher Report (activities):

Sports: Dance, Cheer and Track

Clubs: Above and Beyond, FBLA, Musical and NHS

Thunder Role:

"I believe it's important to be a good role model because of how it affects you and the other people around you. Younger people often look up to you and will follow in whatever actions you do. That's why it's important to be doing things that positively affect the people and environment around you. If it doesn't affect you that doesn't mean it won't affect others. It's important to do things that make others and yourself proud."

Topic Thunder:

"I believe it's important to stay away from alcohol and drugs because of how it can put you on a pathway and take away your possible goals and successes. Not only that, but it primarily effects your health and how you can live your day to day life. Sports and activities that used to be easy suddenly become harder because of how your body tries to handle the toxins that you're putting into your body."

Scouting Report (quotes from teachers):

"Mackenzie always knows how to bring a smile to someone's face. Her bubbly personality is always present in the classroom. Mackenzie is an incredible artist with many of her works hanging throughout the school!" – Ms. Noel

"Mackenzie is a hard working student that I'm finally able to have in class. She puts forth the effort to do well and wants to do her absolute best. I appreciate her work ethic and look forward to having her in classes in the future! She has also been a vital part of our FBLA Chapter and I rely on her for many of our chapter tasks! Congratulations, Mackenzie!" Mrs. Steinke

Fan Deck (quotes from peers):

"Mackenzie always cares about the reflection she has on the school and the community, and is a hard worker when it comes to school as well."

"Mackenzie is very nice to people and a very good leader, and she is involved in a lot of things."

"Mackenzie takes schooling very seriously and works super hard at it to set a great example."

"Mackenzie is always there for everyone and always knows what to say to make you feel better."

Hometown Hero:

"My hometown hero is Mrs. Lane. I say this because even though this year is the first year I've had her for a teacher, she's already taught me so many things and is a great representation of a person who loves her job and loves the students around her. She always has a smile on her face and is just so full of love for people. I would love to have her mindset or something even close to it."
