

The Above and Beyond 'Thunder Clap'
Recognition for the Week of March 19th:

Madison Volk

Hometown Pride: “I am proud to be part of the Osseo-Fairchild community because it is easy to make friends. It is a safe community and it is easy to find something to occupy free time and expand options for the future.”

Bleacher Report:

Sports: Volleyball

Clubs: Above and Beyond, FBLA, NHS, Student Council and Band

Thunder Role:

“It is important to be a good role model because as athletes and club members, we are in a way, the faces of the school. We set examples for the younger students to improve our school and community.”

Topic Thunder:

“It is important to stay away from drugs and alcohol because your brain is still developing. As high school student-athletes, we must be alert and ready at all times to expand our education and skills. Both drugs and alcohol will influence our futures in a negative way.”

Scouting Report:

“Madison is one of the most dedicated and driven students I’ve worked with. She sets her goals high and has a serious drive to reach them. Thank you for taking AP statistics and working hard throughout.” – Mr. Bergeron

Fan Deck:

“Madison is a great person and great at the things she does.”

“Madison is respectful to teachers.”

“Madison works hard at everything she does.”

Hometown Hero:

“My hometown is Lexi Dawson. She not only has helped me as an athlete, but also a person. Lexi is never afraid to be upfront about anything and her honesty to the players and dedication to the Osseo-Fairchild Volleyball program is something I will always admire about her.”
