"High school is just the start of our future, we are young we need to be able to live life and as long as possible and to do that we need to be smart and stay away from drugs and alcohol."

### Scouting Report (quotes from teachers):

"Madyson is outgoing and her verve and vivaciousness helps others come out of their shell when they are with her." – Mrs. Beasley

"I have had the privilege of working with Madyson in many different venues. From ASP - Big Fisch Flag Football - to Psychology. She is an amazing young lady that has a servant heart and great personality. Her smile is contagious and when she walks into a room (usually late) she brightens it up. What I love most about her is that she is always herself in all situations. I am super proud of being able to be a part of her journey!" – Mr. Fischer

"Madyson always did a nice job of balancing her golfing and missed class time with her schoolwork!" – Mr. Stoik

### Fan Deck (quotes from peers):

"Madyson always has a smile on her face, and she knows how to make somebody's day better. She is super friendly with everyone she comes in contact with."

"Madyson is a great role model, always working hard and while having a great, positive attitude."

"Madyson can always make someone smile, she just has the heart to make sure that everyone is having a good day."

"Madyson is always there to help any out, and always has a smile on her face while doing so."

### Hometown Hero:

"My hometown hero is Scott Vold aka Futz! He is my hometown hero because he has taught me everything about golf and how it applies to life. Like having patients and not dwelling on the bad shots but to take a breath and put my all in the next shot. He has dealt with me since 6th grade and I couldn't ask for a better coach or mentor!"
