Makayla Steinke

Hometown Pride:

"I'm proud to be part of the Osseo-Fairchild community because we are truly a family. I know a lot of people in the community, and I trust them so much. I can go to any of them and they would support me and help me in any situation."

Bleacher Report:

Sports: Volleyball and Basketball

Clubs: Above and Beyond, Student Council, Choir, Band, NHS, TADD, Jazz Band, A Capella Choir, FBLA

Thunder Role:

"It is important for students to be a good role model because the middle schoolers and elementary kids look up to us. We have to show them how kids should be acting all the time."

Topic Thunder:

"I think people should stay away from drugs and alcohol because 1. They are not good for your health, 2. They make you a worse person than you could be. You don't need drugs and alcohol to have fun, and you are an overall better person without them."

Scouting Report:

"Makayla has a wonderful, positive personality and brings great leadership to the classroom. She has gone above and beyond helping other students in math during HAMR. She always strives for her best and is a joy to have in AP stats this year." – Mr. Bergeron

"Makayla has always been such a positive person to have in class. She always brings a smile to everyone around her and is always trying to do her best no matter how hard a challenge you put in front of her. Her balance between music, school, and athletics is something all of our younger students could learn from." – Mr. Drayton

"Makayla is such a dedicated person, who works hard towards anything she sets her mind to." – Mrs. Zawacki

She is such a good role model to kids, and she makes learning fun. I know I can always count on her to believe I can do well and succeed in both school and sports."
