Scouting Report (quotes from teachers):

"While it had been a while since I last had Mason in class, I was quickly reminded of everything I appreciated about him this trimester in American Civics. He is and has always been extremely polite, respectful and well-mannered towards myself and his peers. Additionally, I have always been able to rely on Mason to be an active and thoughtful participant in class discussions." – Mr. Stoik

"Mason is a dedicated leader for our school, giving his time and talents to the FFA, Band, Track, Cross Country, and many other aspects of our school community. He is dependable, brings new ideas to the table, a team player, and is always willing to learn something new. It is a privilege to have him in FFA and classes, and I'm excited to see how he continues to lead in his future career in natural resources!" – Ms. Hayden
