“Mattie has one of the kindest hearts out of all of my students. She is always thinking of other people and trying to brighten people’s days. She is always working hard, but making sure that she has fun while doing it. We’ll all miss her in band next year!” –Mr. Drayton

“Mattie is one of the most talented and wonderful students I have ever known. She jumped into Advanced Ceramics class this year (after not working with clay for awhile), and she has produced some of the BEST work in the whole group. She is not afraid to put herself out there and try new ideas. I really admire her perseverance and dedication to her projects and of course her creativity! She is just a joy all around. What a wonderful person with so much to offer. I see a bright future ahead!” – Ms Covelli
