Thunder Role:

"As students and athletes, we are role models for younger students in our district and community. Not only that but drugs and alcohol damage our brains, health, and reputation. To stay away from drugs and alcohol means to be a good example for younger students and to take care of yourself and your future."

Topic Thunder:

"In order to do the best that you can do and achieve what you can achieve, you can't be under the influence of drugs or alcohol. If you get caught it hurts your team and club's performance and the members in it too."

Scouting Report:

"I love that Morgan almost always has a smile on her face when you see her around school. Her friendly smile helps to make Osseo-Fairchild a better place to be." – Mr. Stoik
