In an effort to increase positive participation and support for our school's student athletes and encourage substance free activities, all Osseo-Fairchild students have the opportunity to get in free to the listed activities. This is part of a grant funded initiative to decrease alcohol use by increasing opportunities that are substance free and highlighting positive behaviors of students making good choices. If you have any questions please contact Tera Simpson at [tsimpson@ofsd.k12.wi.us](mailto:tsimpson@ofsd.k12.wi.us)
