### Thunder Role:

"I feel it is important for club members to be good role models because you never know who is going to be watching. There are always many little kids that come to sporting events, and they are watching what the athlete is doing. They are all looking up to us, so it is important to be a good role model."

### Topic Thunder:

"I feel it is important for students to stay away from drugs and alcohol because they have a negative effect on your body. They will affect the way you do things every day. They won't let students perform to the best of their ability."
