

**The Above and Beyond 'Thunder Clap'

## Sophiah Filla

**Hometown Pride:** "I am proud to be part of the Osseo-Fairchild community because everyone is so nice and supportive. Community members always come to sports and events through the school and I really appreciate that. I love how the community is so close and everyone knows each other."

### **Bleacher Report:**

Sports: Volleyball, Basketball and Softball

Clubs: Above and Beyond, FBLA and NHS

### **Thunder Role:**

"I think it is important for student athletes / club members to be good role models because everyone is watching you. No matter if it's in school or out of school everyone sees how you act. Little kids are the ones who notice the most of what you do and they imitate your actions. You want to set a good example for younger children who look up to you."

### **Topic Thunder:**

"I think it is important to stay away from drugs and alcohol because they have so many negative effects on your body, and when you play sports it only harms you and brings you down. It also can affect your learning and education which will hurt you in the future."

### **Hometown Hero:**

"My hometown hero is Mrs. Tera Simpson because she has shown me that it is ok to show who you are to others. I am always comfortable in the classroom now to voice my opinion and show my true colors. She has really helped me grow as a person mentally by telling me how to handle situations differently and that it is ok to have bad days. She has really taught me so much and I am truly grateful for that."
