

Want interactive flashcards to help study for tests?

- Go to Studyblue.com OR Download the Free App
- Click on the 'Sign Up' Button On Top of Page
- Click on 'Signup with Email'
- Enter Information and Click on Join Study Blue
- Click on the 'Classes' Arrow on top of page and select 'join a class'
- Enter 'Osseo-Fairchild' (Select Osseo-Fairchild High School option), Anatomy and Physiology, Mrs. Simpson, click on 'get started'
- To find our class you will see anatomy and Physiology under 'my classes'
- You can see what these flashcards would look like by scrolling down to class materials and clicking on any of the chapters we will be covering (Only trust flashcard groups made by Mrs. Simpson)
- If you are ever asked for one, passwords will always be 'Thunder'
- You can study in flashcard form or quiz form...it also lets you re-practice any ones that you got wrong.
- If needed, I will be adding to the collections as we make our way through the chapters.
- If you think there are errors, please contact Mrs. Simpson by email so she can check it out, and if necessary, fix it.
