Thunder Role:

“I think it’s important to be a good role model because people are always watching. The younger ones will look up to you.”

Topic Thunder:

“Staying away from drugs and alcohol can truly change who you can become. It can affect your future. It can ruin your health as an athlete.”

Scouting Report (quotes from teachers):

“It's great to see how much Tymeka has grown during her senior year. She takes a breath and stops to think before reacting to comments or situations. This has made her a good role model for younger students. She is involved in activities and provides great support to her friends and her community.

– Mrs. Schultz

“Tymeka is always willing to take on extra work and helps organize our FBLA activities, and she has been a rock for the past four years. I appreciate all she does and will miss her smiling face next year! Best wishes, Tymeka!” – Mrs. Steinke

“Tymeka is a wonderful, hardworking student who does her best in all aspects of life. Even when she is frustrated or just doesn't want to do something, she finds time to get it done and does it well. Her attitude towards school and life has improved so much since I first met her, and I couldn't be more proud. Whatever Tymeka sets her mind to, she does. I can't wait to see all of her successes in the future! Keep it up Tymeka!” – Mrs. Kestner Olson

Fan Deck (quotes from peers):

“Tymeka has grown a lot over the years and is working hard to be successful in the future.”

Hometown Hero:

“Dezaray Eisberner is my hometown hero. Even though she is my sister, she's also my built in best friend. My sister is always there for me no matter what goes on. Dez is also there for other people. Thank you for being there to either listen to my not so funny jokes or even a shoulder to cry on. I wouldn't want to choose another best friend, nor sister.”
